

ANECHOX 30

The AnechoX 30 CRUSHES sound and recoil! This ultimate multi-caliber suppressor delivers outstanding performance on your 7.62/.308, the most powerful 30-caliber magnum, or 17 Hornet through 7mm. The AnechoX 30 is the lightest, quietest, lowest recoil, user-serviceable, titanium multi-caliber suppressor ever made.

Ridiculously low recoil, even on ultra-light 300 magnums. Outperforms every can on the market in weight, sound, recoil, and serviceability!

The AnechoX 30 is the absolute state of the art and the pinnacle of performance for weight, sound, accuracy, and serviceability. All AnechoX suppressors use the unique X-Baffle Anechoic™ Chamber System with an interrupted central tube and are finished with Cerakote C Series high-temperature thin film ceramic.

All AnechoX 30 suppressors are made of Grade 5 STA 1000 Titanium (Basically the highest alloy Titanium in its strongest heat-treat condition) with Stainless 17-4 H900 blast chambers and blast baffles to handle the extreme erosion, uncorking pressure, and temperature right at your firearm's muzzle.
